

05-72 (docket#)

I desire to continue to receive VOOM programming, VOOM's commitment & track record of providing HDTV, and VOOM HD LLC's desire to continue operating Rainbow-1 at the 61.5 frequencies. I hope and trust that the FCC remembers their past rulings that side on increased competition and consumer choices. To keep Voom going as is is clearly in the best interest of the public, and in the long run, even the stock holders.
